

## English

### We will be:

- Reading the poem 'Nature Trail' by Benjamin Zephaniah and writing our own poetry inspired by nature
- Retelling the story of 'Somebody Swallowed Stanley' by Sarah Roberts to celebrate the world's oceans
- Reading 'The Lighthouse Keepers Lunch' by Ronda Armitage
- Writing instructions for preparing a lunch

## Maths

### We will be:

- Building on our knowledge of counting in 2s, 5s and 10s
- Recognising and making equal groups
- Adding equal groups
- Representing, comparing and ordering numbers within 100
- Recognising, naming and identifying the features of 2D and 3D shapes
- Using objects and drawings to support our learning

## History

- Looking at historical artefacts to find out about significant explorers from the past
- Finding out about how they have contributed to international achievements
- Writing fact files about what they have achieved

## Computing

- Learning about how easily images can be shared online and the importance of consent
- Using I Can Animate to retell a story

## Science

- Asking questions about plants and how they grow
- Planting and looking after our own sunflowers
- Observing and recording how a sunflower grows and changes over time
- Exploring The Rookery and finding out what garden and wild plants grow around our local area
- Finding out about what is happening underground beneath our plants

## Year 1

Summer 2 2021

**This term our topic is**

**Explorers**

Start of the day 8:40am

End of the day 2:55pm

This term will be finding out about explorers Christopher Columbus and Neil Armstrong. We will become explorers ourselves to learn about the world's hot and cold places. We will be asking questions about what we want to find out about plants, growing our own sunflowers and exploring the plants around our local area on a trip to the Rookery in Streatham Common.

We will be...

## Spanish

- Learning how to count to 10 in Spanish through song

## Geography

- Exploring the world's hot and cold places and learning about how animals adapt to where they live
- Exploring geographical features of a coastal area of the UK and a small area of Tanzania

## RE - Judaism

- Learning about Jewish beliefs about God
- Finding out about the Jewish creation story from the Torah

## PE

Our PE session this term will be on **Thursdays (inside)**.

Please ensure your child has the correct PE kit in school on those days. This includes:

- black, blue or grey shorts or jogging bottoms
- white t-shirt
- black plimsolls or trainers

## PSHE (Growing and Changing)

- Thinking about things we could do as a baby, toddler and now
- Learning to keep our private parts private
- Learning the difference between surprises and secrets
- Identifying who we can get help from
