

Year 6 Newsletter Term 6 Summer 2021

Welcome back to our final term!

English

In our English lessons we will be basing our writing on the text 'Cogheart'. From remarkable mechanicals and incredible automata to soaring airships and dastardly plots, Cogheart is an exhilarating adventure of astonishing imagination. Through this text, children will focus on exploring language and character, inventing their own mechanicals, writing explanation texts and creating diary entries. There will be a strong emphasis on grammar, spelling, punctuation and handwriting. Guided reading will be taught on a daily basis.

Maths

In Maths we will be focusing on using and applying all our mathematical skills through different investigations and mastery. We also will continue our focus on mental arithmetic and recall of number facts. Pupils will be extending their understanding of the number system and place value and will be developing the connections they make between multiplication and division

History

In history, children will be developing their chronological understanding through the exploration of crime and punishment throughout the centuries.

Geography

In geography, children will be developing their map skills and learning how to use an atlas correctly. We will also be researching the human and physical features in the UK.

Saying goodbye!

The children will be taking part in various projects as part of their transition to secondary school. The children will have the opportunity to go on a celebration trip to Flip Out. They will also get the chance to create a memory booklet to remember their time at Crown Lane. We will also be helping the children to prepare for secondary school by teaching a series of lessons about transition to secondary school.

P.E.

PE will be taught on a **Tuesday** afternoon for Mauve Class and Purple Class. This term the focus will be on Multi-sports. Please ensure your child has the correct PE uniform (white t-shirt, black/blue shorts and trainers).

SRE

We will not be teaching any SRE this half term as we have covered the necessary objectives.

Trips, Visitors and Workshops

Thank you to all parents who have paid their £12 towards the Flip Out trip. We are very much looking forward to having some end of term fun. Trips and workshops have been very different this year due to restrictions put in place. However, we have been able to organise several virtual workshops and one in person workshop. The children were able to participate in these workshops:

- THINK! Workshop, challenging stereotypes.
- A workshop held to help challenge children's understanding of gender stereotypes.
- Bikeability workshop to help improve children's cycling skills.

Important Dates

Wednesday 14th July - Flip Out Trip
Thursday 22nd July - Class Party
Thursday 22nd July at 2pm - Children go home for the summer

Ms. Dodd (Purple Class) and Ms. Broomfield (Mauve Class)
