

Nursery Home Learning Project - All About Me

Dear Grown-ups,

We will be talking to the children about themselves and their families this term. We will use this to develop their self-confidence and self-awareness, their communication and language skills and their knowledge and understanding of the World.

For home learning we would like you to help your child make a poster about themselves and the important people in their lives.

Your poster could tell us the following:

- Who is in your child's family and who is a very special person to them?
- Where does your family come from? Is anyone from a different country? Can they or your child speak another language?
- What does your child like to eat the most?
- What does your child enjoy doing at home?

Your child can hand in their poster at any time this term.

Best of Luck,

Nursery
