

English

We will be:

- Continuing to work on forming our pre-cursive lower-case letters in the correct direction, starting and finishing in the right place
- Writing an acrostic poem about space
- Reading Beegu and writing a report about a suspected alien landing
- Imagining what it would feel like to be Beegu and writing a letter in role

Maths

We will be:

- Continuing to develop our number formation
- Using part-whole models to partition numbers to ten
- Finding number bonds to ten
- Comparing number sentences using the $<$, $>$ and $=$ symbols
- Using equipment to support our understanding (concrete apparatus, number lines, 100 squares, Numicon)

History

- Looking at artefacts to see what we can discover about the first moon landing
- Placing the first moon landing on a timeline
- Finding out about the life of Neil Armstrong

Year 1

Spring 1 2020

This term our topic is Space Explorers

Start of the day 8:50am

End of the day 3:15pm

This term we will be...
learning about the Apollo 11 moon landing as well as finding out about what it is like to be an astronaut. We will also be designing and creating our own space sculptures.

Spanish

- Learning how to say different colours in Spanish through song
- Learning how to say what colours we like and dislike

Computing

- Identifying who we should tell if we see something we don't like online
- Creating an animation using I Can Animate to show a rocket landing on the moon

Sculpture

- Looking at how artists have used different materials to create sculptures
- Exploring how we can use tin foil to create 3D models
- Sketching a design of our own space sculpture
- Using tin foil to create a 3D model of our design

Science

- Using everyday objects to identify and name a variety of everyday materials including wood, metal, plastic, glass, water and rock
- Exploring and describing the properties of different materials
- Testing what material would make a good coat to protect Beegu in the rain

PE

Our PE sessions this term will be on **Mondays (outside)** and on **Thursdays (inside)**.

Please ensure your child has the correct PE kit in school on those days. This includes:

- black, blue or grey shorts or jogging bottoms
- white t-shirt
- black plimsolls or trainers

RE Day

- Learning about a Christian baptism to understand how Christian babies are welcomed into the world

PSHE

- Learning the differences between boy and girl babies
- Understanding that babies become children and then adults
