

English

We will be:

- Dressing up as a character from a story we love for World Book Day
- Taking part in a Big Foot storytelling workshop
- Writing riddles to guess the animal
- Reading and retelling fairy tales Goldilocks and the Three Bears, The Gingerbread Man and The Three Little Pigs
- Writing in role

Maths

We will be:

- Naming and identifying properties of 2D and 3D shapes
- Counting and writing numbers to 20
- Identifying tens and ones in a 2-digit number
- Comparing and ordering objects and numbers to 20
- Using equipment and drawings to support our understanding (concrete apparatus, number lines, 100 squares, Numicon)

DT

- Evaluating existing containers
- Exploring how we could make a container from a plastic bottle
- Exploring how we could make our containers stronger
- Designing, creating and evaluating our own container using recycled materials

Computing

- Identifying what we should do if we see something we don't like online
- Programming Beebots to move in different directions to travel around the UK

Science

- Science Week!
- Exploring what material we could use to replace the plastic bag
- Asking questions about the weather
- Recording how the weather changes from Winter to Spring
- Being nature detectives to find out about Spring
