

Year 1 Home Learning Project

Every **Friday**, your child will be given one piece of English home learning, one piece of maths home learning and an individual reading book to be brought back to school when they have finished reading it or the following **Wednesday**.

Children that hand home learning in on time will be rewarded with stickers!

As well as this, each term your child will be given a project based on our class topic. This can be completed in your child's own time and shared with the class when brought into school!

Our topic this term is '**Once Upon a Time**'

Choose at least one activity from the home learning projects below. You can choose how you would like to present it.

- Create a Goldilocks and the Three Bears story box
- Design your own costume or mask for a fairytale
- Write your own fairytale story
- How would you design a perfect bed for Goldilocks? Design your own bed and have a go at making it out of recycled materials
