

## Year 1 Home Learning Project

Our topic next term is  
**'Let's Grow'**

Choose at least one activity from the home learning projects below. You can choose how you would like to present it.

- Create a prop from Jack and the Beanstalk
- Grow a sunflower and keep a diary to show how it has grown
- Make a minibeast e.g. lady bird, spider etc
- Write a fact poster about plants or insects to share with the class
- Create a garden in a shoe box

Next term we will be focusing on our 5 times tables! It would be fantastic if you could practice them at home with your child over the holidays.

Thank you for your support!
