

Year 2 Home Learning Term 1

Topic: Changes

Every Friday children will be given one piece of English Home Learning, one piece of Maths Home Learning and spellings to be completed by the following **Wednesday**.

New reading books will be issued on Fridays, to be handed back in on Wednesday with homework. If your child's Reading Record is at home please ensure it is brought back to school so we can begin giving out new books by next week.

Children that hand Home Learning in on time will receive stickers/dojo points!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class during the term!

Home Learning Project

- Science: explore life cycles of different animals (make a poster, booklet or bring in pictures of a life cycle)
- Look at survival needs of different animals
- History: research/find out about the life of a child who lived in the past
- Create a poster advertising a new piece of technology/gadget that you have designed
- Make and design your own toy
- Create a model of an animal to share with the class
