

# Year 2

## Home Learning

### Our Book This Term

This term we will be reading George's Marvellous Medicine.

Feel free to get your own copy and help your child to read this story at home to give them a head-start!

Please read as much as you can over the Half-Term and let us know how you get on.

### Project

This term in class we are focusing on **Geography**.

For your project we would like you to tell us about important places around the world and in the UK for you and your family.

You could:

- Design a poster.
- Make a model of a landmark.
- Write a recipe for a special meal.
- Make a little book about your visit to this special place.
- Draw a map of your special place.

Have fun being creative!
