

Year 2 Home Learning Term 1

Past & Present

Every Friday, children will be given one piece of English Home Learning, one piece of Maths Home Learning, spellings and handwriting to be completed by the following Wednesday. This will follow on from the learning that has been done in class and that will allow your child to practise applying their new knowledge to different activities.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is 'Past & Present'.

Choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school on Wednesday 18th October so we can share them with the whole class.

- Create and design your own form of transport
- Research/find out about life as a child who lived in the past. It can be in the form of a diary entry.
- Create a poster advertising a new piece of technology/gadget that you have designed.
- Make your own board game
- Design a healthy meal which can be presented in any way you like.
