

## Year 2 Home Learning Term 3

### The Great Fire of London

Every Friday, children will be given one piece of English home learning, one piece of maths home learning, spellings and handwriting to be completed by the following Wednesday. This will follow on from the learning that has been done in class and that will allow your child to practise applying their new knowledge to different activities.

Children that hand home learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

### Home Learning Project

Our topic this term is 'The Great Fire of London.'

Choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school on Wednesday 7<sup>th</sup> February so we can share them with the whole class.

- Imagine you lived in London during the Great Fire. Write a diary entry to describe what happened and how you felt.
- Design your own new city. How would you design your city to help prevent the spread of fire?
- Make a model house out of junk materials.
- Create your own silhouette of the city during the fire.
- Design a poster about different everyday materials and show what they can be used for.
- Design your own waterproof jacket.
