

Year 4 Homework/Home Learning Term 1

Every **Friday**, children will be given one piece of English Home Learning and one piece of Math Home Learning to be completed by the following **Wednesday**.

Children that hand homework in on time will be rewarded for their efforts.

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topics this term are 'Rocking Romans' and 'The Digestive System'.

Please choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school by Wednesday 9th October, so we can share them with the whole class.

Ideas:

- Create a Roman timeline
- Create your own Roman god
- Write an adventure story set in Roman times
- Research the life of a Roman soldier
- Paint or use other mediums to create a Roman mosaic
- Write a short newspaper report announcing the invasion of Britain
- Create a leaflet about a Roman exhibit for a museum
- Design a Roman maze using reflective symmetry
- Create a 3D model of a Roman villa
- Write a non-chronological report about the digestive system
- Create a PowerPoint presentation/leaflet/poster about the digestive system
- Create a persuasive poster to encourage eating a balanced diet

Or anything else that inspires you!
