

Year 4 Home Learning Term 3

Every Friday, children will be given one piece of literacy Home Learning and one piece of numeracy Home Learning to be completed by the following Wednesday.

Children that hand Home Learning in on time will be rewarded!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class and maybe celebrated in our phase assembly at the end of the term.
