

Year 4 Home Learning Term 2

Every Friday, children will be given one piece of literacy and one piece of numeracy home learning linked to what they have been learning in class. It needs to be completed by the following Wednesday.

Children that hand home learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class and celebrated in our phase assembly at the end of the term.

Home Learning Project

Our topic this term is Espectacular España.

Choose at least one activity from the home learning projects below or be creative and create a project of your choice! You can choose how you would like to present it. Bring your finished project to school on Friday 15th December so we can share them with the whole class.

- Create a sketch or painting of a UK or Spanish city scape
- Research/find out about a city in Spain. Be creative about how you present your information.
- Cook a dish from European country (with an adult) Take pictures, write up a recipe.
- Learn a song in a different European language.
- Read and retell a story from a different European culture.
- Create a map of your local area
- Carry and out investigation exploring solids, liquids and gases.
- Create a poster/presentation about the Water Cycle
- Learn and present a Spanish dance (flamenco)
