

Year 4 Home Learning Term 3

Every Friday, children will be given one piece of literacy Home Learning and one piece of numeracy Home Learning to be completed by the following Wednesday.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is 'Electricity' and Design and Technology. Please choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school on Wednesday 21st March so we can share them with the whole class.

- Design a tourist attraction for London
- Design and make a product of your choice!
- Design a container to keep soup warm or a drink cold
- Write a poem about electricity and perform it to the class
- Present a report on a famous inventor
- Create a Maths board game
- Do a science experiment and present your findings in a creative way

HOMEMADE ELECTRIC CAR
