

Year 4 Home Learning Term 6

Every Friday, children will be given one piece of literacy Home Learning and one piece of numeracy Home Learning to be completed by the following Wednesday. Children that hand Home Learning in on time will be rewarded with stickers! As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is 'Charlie Chaplin' and 'Habitats'

Choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school on or before Friday 13th July so we can share them with the whole class.

- Create your own animal for a specific habitat
- Present a collage of a habitat
- Write a non-chronological report about an animal and their habitat
- Creatively portray Charlie Chaplin's life (collage, painting, poster)
- Create a movie in the style of Charlie Chaplin with your family. Show to the class
- Design and create your own 3D model of an academy award (similar to the Oscar's)
- Write a script to a movie (remember to give it a genre: mystery, comedy, action, adventure)
