

Year 5 Home Learning

Every Friday, children will be given one piece of literacy Home Learning and one piece of numeracy Home Learning to be completed by the following Wednesday.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is The Rockin Romans!

Choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school by the 30th September 2019, we can share it with the whole class.

- Research and write about what the Romans might have eaten. You could make a Roman dish and bring it in for us to try!
- Write a diary entry about the day in the life of a Roman adult or child.
- Sketch or create a 3D model of a Roman village.
- Design and make a piece of Roman weaponry.
- Create an information page about an aspect of Roman life which interests you the most.
- Design a t-shirt persuading people to visit Rome.
