

## Year 5 Home Learning

Every **Friday**, the children will be given one piece of English Home Learning and one piece of Maths Home Learning to be completed by the following **Wednesday**.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class and in our whole school assemblies at the end of the term!

### Home Learning Project

Our topic this term is called '*One small step for mankind*'

Choose at least one activity from the home learning projects below. You can choose how you would like to present it.

Bring your finished project to school by Friday 7<sup>th</sup> December 2018

- Write a report on Neil Armstrong
- Write a fact file on the planets in our solar system
- Sketch the New York skyline.
- *Find out about a famous person who comes from New York or London. Be creative about how you present your information. It can be in the form of a biography, fact file or a report.*
- *Create a holiday brochure/ poster/ powerpoint presentation encouraging people to visit London or New York.*
- *Make a 3D model of the London or New York Skyline.*
- *Create a map of your journey to school including a compass, a key, roads, buildings, public spaces, shops etc.*
- *Write a short story about a secret mission for a spy in London or New York.*
- *Create a holiday T-shirt showing the sights of New-York or London.*
