

Year 5 Home Learning - Term 6

Every Friday, children will be given one piece of literacy Home Learning and one piece of numeracy Home Learning to be completed by the following Wednesday.

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time over the next few weeks.

Home Learning Project

Our topic this term is called 'On Safari'.

Choose at least one activity from the home learning projects below. You can choose how you would like to present it. Bring your finished project to school by Wednesday 12th July, so we can share them with the whole class.

Good luck with your projects - we look forward to seeing everyone's home learning!

- Research a safari animal and write a report. You could even present your information in a Powerpoint presentation.
- Make a collage of a safari animal, using different materials such as paper, cloth, foil, newspaper etc.
- Create a 3D safari animal using recycled materials.
- Paint or draw a safari scene of your choice.
- Write a safari themed poem - it can be in style of an acrostic, shape, riddle or image based poem. Can you think of a really creative way to present your poem?
