

Year 6 Home Learning Term 4

Every Friday, children will be given one piece of English Home Learning and one piece of Maths Home Learning to be completed by the following Wednesday.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is The Grimm Tales.

We are reading different Fairy Tales, based on the original stories.

For our home learning project, choose from one of the following:

- Invent a new fairy tale character: they might be good or evil, magic, a talking animal, royalty...you choose!
- Draw and design a setting for a fairy tale. It might be an enchanted forest, a magical palace, or a whole new setting you have thought of. Draw your setting and annotate it with your ideas. You could even make a model of it!
- Retell your favourite fairy tale from a different character's point of view e.g. the witch, one of the dwarves, the wolf.
- Write a modern version of a fairy tale e.g. did Cinderella lose her smart phone instead of a slipper?
