

## Year 6 Home Learning Term 5

# Y6 SATs

Every Friday, children will be given one piece of English Home Learning and one piece of Maths Home Learning to be completed by the following Wednesday. Please also make sure children are practising their spellings (both the Year 3 and 4 words AND the Year 5 and 6 words) and their times tables.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

### Home Learning Project

For your home learning project you might like to:

- Make a poster offering tips and advice for someone preparing for their SATs
- Make a SATs survival box - what would you put in it?
- Write a motivational letter/speech telling everyone how brilliant they are and congratulating them on how hard they have worked
