

Year 6 Home Learning Term 6

Home Learning Project

As this is Year 6's final term, we thought their home learning could be about reflecting on their time at Crown Lane and looking forward to the future.

- Make a memory box. This could include:
 - stories about your favourite memories of Crown Lane
 - objects that remind you of different events/lessons/year groups at Crown Lane
 - Pictures, drawings or photos
- Children could think about what they would pack in a suitcase as they make their journey through life. This could include:
 - images of places they would want to visit
 - written letters to employers regarding job roles
 - hopes and dreams (presented through drawing, recordings etc)
 - things that have inspired them (books, people ...)

This suit case could be made from an old shoe box, drawn or written about.
