

Year 6 Home Learning Term 5

Y6 SATs

Every Friday, children will be given one piece of English Home Learning and one piece of Maths Home Learning to be completed by the following Wednesday. Please also make sure children are practising their spellings (both the Year 3 and 4 words AND the Year 5 and 6 words) and their times tables.

Children that hand Home Learning in on time will be rewarded with stickers!

As well as this, each term children will be given a project based on their class topic. This can be completed in the children's own time and shared with the class at the end of the term!

Home Learning Project

Our topic this term is 'The Spider and the Fly' by Shaun Tan

This book is a cautionary tale written as a poem, which is about a spider trying to eat a fly.

For your home learning project you might like to:

- Research about different spiders and their habitats
- Make a poster about food chains, thinking about spiders and flies
- Recreate the spider's web - think about the materials you could make it out of and how you might weave it together. Add the spider and the fly
- Design a board game about the spider trying to catch the fly
- Make a model of the spider's house, including the spider, the fly and the ghosts
