

Dear Reception Parents,

## **Reception Children Returning**

If your child is starting back at school next week you will have had a text confirming their start date.

Please can you do the following:

- provide a water bottle with your child's name on
- provide your child with a piece of fruit as a snack
- apply sun cream before they come to school (we cannot do it).

Please look at the video (there is a new one for Reception) on the website to see how the children will be coming into school and what the day will look like etc. It might help to ease any anxieties that you or your child may have.

School starts: 9am

School ends:3pm

Thank you in advance for your patience whilst dropping off and collecting your child,

We are really looking forward to welcoming your child back.
