Coronavirus

Covid19

School is closed

School is closed because of the Coronavirus.

Coronavirus can pass from one person to another.

Coronavirus can pass more in big groups.

It is best to NOT be in a big group.

We have big groups at school.

So school is closed.

I will stay home for many days.

My family and my teachers want me to be safe.

When it is safe, I can be in big groups again.

When it is safe, school will be open again.

- Coronavirus can be called “Covid19”.
- Coronavirus is a new type of flu.
- A flu will make you feel sick, but it is ok, you will feel better again.

- Just like other types of flu, coronavirus will go away soon.
- I don't need to feel worried, but if I do I can talk to an adult.
- I will keep safe! Hurray!

- I will not bite my nails or put my hands in my mouth.
- I will cover my mouth when I cough or sneeze.
- If I am not feeling well, I will tell a grown-up.
- I will not give my friends or staff high 5's, hugs or fist bumps until everyone is feeling better.
- I can do other things to be friendly, like give them a wave, an elbow bump or a dab!
