

A Backpack Fit for a Space Adventure

Hal has set off on a once in a lifetime adventure from the comfort of his own bed! What does he need to take with him? What would you need for a journey into space?

Plan what Hal needs to take in his backpack and think about why he will need it.

Example:

A torch because it is dark in space and he will need to see where he is going!

Possible Ideas:

Radio (to contact Mission Control)

Pictures of his family

A teddy

Some food

Warm clothes

Notebook

Telescope

Maps
