Hi everyone,

I hope you're all well and keeping safe. This is our last week of school and you can now look forward to some rest and fun doing whatever you have planned, either indoors or outdoors.

I have uploaded some lovely resources for you to try and hope that you enjoy using them.

Please make sure you do lots of reading during the holidays to keep up with your vocabulary building.

Enjoy the holidays, stay safe and we hope to see you back at school in September.

Ms Farida
