## All about plants

Hi everyone, hope you're all doing amazing!

This week's theme is PLANTS and we have lots of fun learning to do.

Here is a video you can watch to learn about the life cycle of a flowering plant.

<http://www.viddler.com/v/792eec19>

**(Copy and paste into your browser if it doesn't open automatically)**

Once you've watched the video there are two worksheets to complete Worksheet A and Worksheet B. Once complete check your answers with the answer sheet.

Have fun!

Ms Farida
