

Coming Back To School

Soon some children will be coming back to school. When you come back to school things will be a bit different.

You might not be with all of your class. You will be in a group with some children from your class, a teacher and a teaching assistant - this will be your **TEAM**.

This team will be together every day.

You might not be with your normal teacher or teaching assistant - but they will all be people you already know.

They know that you are in their team and are looking forward to working with you.

Your team might not be based in your classroom but it is just a classroom and it will be your team's room.

The classrooms will look a bit different - the tables will be spaced out, there won't be lots of cushions around.

You will have your own pencil, pen, ruler, whiteboard, dry wipe pen and things like that - you won't have to share!

Everybody will eat their packed lunch in your team room at lunch times.

You will still get to go outside for break and lunchtime play (unless it rains).

Because there is a virus around we will be washing our hands a lot more to help keep everyone safe.

It will be lovely to be back in school and see our friends again but we must remember to try to keep a little bit away from each other. We can still be friends even if we don't touch.

We know you might be a little bit nervous about coming back to school.

Your teachers are really looking forward to seeing you and we can all help each other keep safe whilst we are learning.
