

Welcome to our Year 2 Newsletter!

We hope that you are all well and enjoying your time at home. We all miss you very much and have still been thinking of lots of different ways to help you continue with your learning.

We have been trying hard to make sure your daily lessons are appearing on the Crown Lane website - Curriculum - Remote learning -Year 2

We have added instructions for the adults at home to help you with your work and remember it is important to just try your best and not to worry if it is too challenging, the important part is having a go!

An example of a daily timetable would be as follows (this can be very flexible!):

9:00 - 9:30: PE This can be with Joe Wicks [The Body Coach TV](#) (quite challenging and don't forget parents can join in!) or cosmic yoga [Cosmic Kids Yoga](#) (lots of adventures to choose from)

9:45 - 10:30: Mental maths (15mins) and Maths worksheets (some of activities may need number lines or 100 squares these can be found and downloaded from [twinkl Primary Resources - KS2, KS1, Early Years \(EYFS\) KS3, KS4, Twinkl](#) as there is free access currently or we have added them in alongside the daily work if necessary.

10:30 - 11:00: Reading / phonics Set 1, 2 or 3 speed sound lessons [Ruth Miskin Training](#) and read your coloured phonics book (see below for more details) If your child has exited the RWI programme (finished Grey books) please use this time to read one of the home reading books given by the school to your child.

11:00 - 11:15: Playtime and healthy snack (maybe include a calm down activity after playtime e.g. Zen den https://www.youtube.com/results?sp=mAEB&search_query=zen+den or a story massage)

11:15 -11:30: Spelling, Punctuation and Grammar activity (SPaG)

11:30 - 12:15: English writing activities

12:15 - 1:15: Lunch and free choice activities (art, lego, youtube, games etc)

1:15 -1:45: Year 2 reading activities and comprehension

1:45 - 2:00: Times table rockstars <https://trockstars.com/home> or counting in 2's, 5s and 10s (Scratch garden YouTube)

2:00 - 2:45: Topic activities

2:24 -3:00: Favourite book/ Story time (please read with your child everyday!) Lots of free e-books can be found in the home section of Oxford Owl [Oxford Owl for School and Home](#)

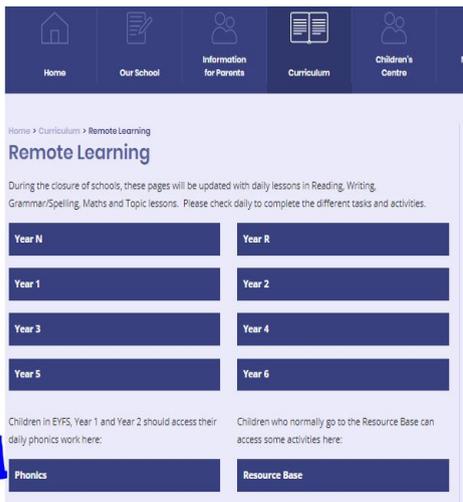

Don't worry if you finish the task in less time. And if you find some of the tasks challenging and can't complete it in the time set - don't worry as long as you try your best!

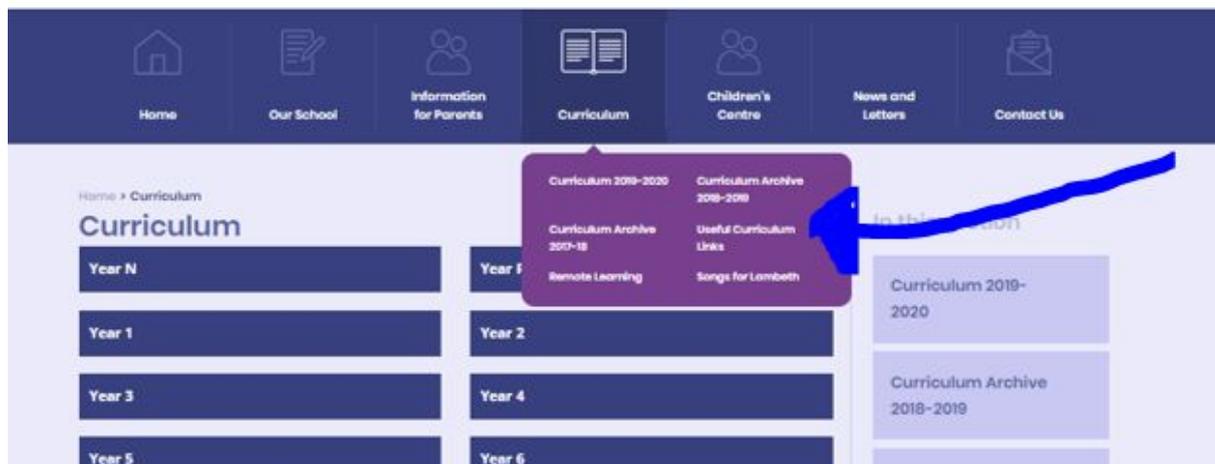

Read Write Inc. Phonics books and activities can be found on our website:

The resources are in ability order starting from the red books to the grey books. Your child should remember what colour group they are in. If they can't remember which group they are in they may remember which adult they were working with.

Red: Miss Bruton, Miss Nasra, Miss Reid-Hill ;
Green: Miss Tellisha; **Purple/Pink:** Miss Caneda; **Orange:** Miss Bell; **Yellow:** Miss Leonie; **Blue:** Miss Ahlas; **Grey:** Miss Monika

Don't forget to visit the Useful Curriculum Links section of our school website, for some more great ideas:

Remember to enjoy yourself during your time at home and it is ok if you spend some of your time at home playing with your favourite toys or drawing and colouring in pictures of your choice.

Remember that if you do some fun cooking or making things at home you could take a photo of it (or draw a picture of it) and stick it in your books so that we can share it when we come back to school!

Have a wonderful week and don't worry about completing each activity!

Miss Ward, Miss Ahlas and Miss Ashlea
