

Hello Blue and Sapphire Class!

Week 13 (Week 6 of Term 6)

Hello everyone!

Can you believe that it is July already and that we only have 2 weeks until the end of Year 1!

If you haven't already, please remember to check the school website for updates from Mr Farrell and the school.

Everyone is doing well accessing the online work- so keep going and don't forget to share your work on our class padlet.

Don't forget that instead of daily Topic lessons, we are now sharing a list of different topic-related home learning projects for the term for your child to choose from. Please refer to the separate document for this.

Last week we had the great opportunity to speak to some of you. It's been great to hear familiar voices and find out what you have been up to. Don't worry if we didn't get to talk to you last week, as we will continue with the home calls this week.

We have also updated our online safety page for children. Follow the link to check it out together!
