WALT imagine what animals we could see on our walk.

Going for a walk can inspire the imagination!

While out for your walk, can you think of three animals that you wouldn't normally see?

- Where do you think they would go?
- What do you think they would do if they came to visit your area?

When you get back from your walk, try turning what you imagined into a drawing.

Why not share your ideas on our Year 1 Learning Wall.
