WALT use number fact for addition and subtraction

Below you will find the link to the lesson they published for Tuesday (Lesson 2 Week 3) which we would like you to have a go at today, Wednesday.

Click on the link and follow the instructions. It is very important that you watch the video and watch the teacher explain what you have to do.

After you have watched the video, click on Get the Activity and complete the task in your books. When you have finished you can go through the answers with an adult.
