WALT make bubble trouble!

Today we are going to make home-made bubbles! **This is awesome!**

You will need:

- 4 teaspoons of water
- 3 flat teaspoons of sugar
- 2 teaspoons of washing up liquid
- a glass for stirring
- a spoon
- a bowl
- homemade bubble wand (a looped pipe cleaner, paperclip, cardboard, wool). I cut a hole in a piece of card from my recycling! Just fold the card and cut a semi-circle starting from the fold.

Follow this link to watch Dr. Chips Daily Dose to find out how:

You may enjoy watching the whole video but the bubble making starts at **19 minutes 37 seconds**.

WARNING: The floor might get a bit sticky so don't blow bubbles on a carpet and maybe put some newspaper on the floor.

I can't wait to hear how you get on!
