

Mental Warm up - listen and sing along to the following song:

<https://www.youtube.com/watch?v=heZp5RVT5a8>

Well done for completing the online lessons from The Oak National Academy over the past few weeks. For the rest of this week we will be directing you to another online lesson website - White Rose Maths.

After you have completed your lessons this week, don't forget to tell us which website you prefer on our Maths Wall...

WALT understand Part-whole relationships number bonds

Below you will find the link to the lesson they published for Monday (Lesson 1 Week 3) which we would like you to have a go at today, Wednesday.

Click on the link and follow the instructions. It is very important that you watch the video and watch the teacher explain what you have to do.

After you have watched the video, click on Get the Activity and complete the task in your books. When you have finished you can go through the answers with an adult.

Lesson 1 - Part-whole relationships number bonds

The screenshot shows a lesson page with the following elements:

- Video Player:** Titled "Part-whole relationships number bonds". The video content shows "Number bonds to 10" with a diagram of ten colorful blocks (purple, blue, green, yellow, orange, red) arranged in two rows. Below the diagram are several number bond equations: $1+1$, $8+2$, $7+3$, $6+4$, and $5+5$.
- Get the Activity:** A pink button with a document icon, labeled "Get the Activity". Below it is a link: "Y1 Lesson 1 Find and make number bonds 2019".
- Get the Answers:** A teal button with a document icon, labeled "Get the Answers". Below it is a link: "Y1 Lesson 1 Answers Find and make number bonds 2019".

Good Luck and enjoy!
