- An **adjective** is a word that describes a noun (the name of a thing or a place).
- An **adjective** can describe the colour, size, shape, or texture of something.
- An **adjective** can describe someone's feelings
- An **adjective** can come before or after a noun.

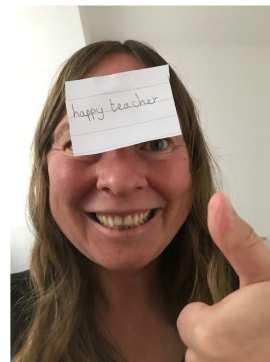

We're going on an **adjective** hunt!

Look around your home. Can you describe any of the things you can see?

Write the **adjective** on a piece of paper and put it on the object in your house.

Challenge:

Can you write the noun as well?

Excellent work describing the things around your home!!
