We've received a letter!

Dear Year 1,

I'm glad that you have so many questions about my life as a lighthouse keeper. I hope I can answer them for you.

I enjoy rowing to my lighthouse because I love being close to the sea. I like washing the deck but my favourite part of my job is polishing the light. I feel proud when I hear ships toot to tell me that they can see the light clearly..

I am so hungry by lunchtime, I get excited when I see the lunch basket from Mrs. Grinling coming down the wire. My favourite food is the colourful lighthouse sandwich, of course!

At the end of the day I am tired but pleased with the job I have done.

From Mr. Grinling (a very happy lighthouse keeper)

Now, can you use an online thesaurus to find some words you might not have thought of?

Go to <http://www.kidthesaurus.com/>, enter one of your words and click 'Search'.

Remember to choose the words from the thesaurus carefully. Not all of the words will make sense when describing how Mr. Grinling feels. You could ask an adult to see what they think.
