

## Hello Blue and Sapphire Class!

### Week 6! (Week 4 of Term 5)

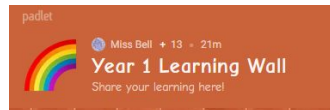

We hope that you are all well and enjoyed your extra long weekend!

Did you all manage to see the special message on our website? If not, don't worry, click on the following link and enter the password - enjoy!

#### Crown Lane says Hello!

We have all been missing you and wanted to say hello! Watch our video here: [Crown Lane says Hello](#)

The password is crown

We both have been super excited to see all the wonderful work you have been doing on our Year 1 Learning Wall on Padlet through the uploading of your images and comments. Well done! Keep up the good work!

Follow this link to share: <https://padlet.com/missbell88/d28v5yvezh8o1>

On Wednesday we will share an optional activity called Runny Rainbows. For this you will need a pack of Skittles or M&Ms or other unbranded version. Don't worry if you can't get them. You will be able to do it at another time or take part in the main activity with things from around the house.

#### Purple Books

If you have finished your Purple books and wish to have a new one, they are available to be collected from the school office. But if you'd prefer to use your own book or paper that's ok too!

## Home School Survey

We really hope everyone is doing okay over this time. Please could parents take a few minutes with their child/children to complete this survey for us about how you are all feeling, to help us know how best to support you all: **Home School Survey**

## Maths

Don't forget to post your maths feedback on our maths wall:

<https://padlet.com/ycaneda/dtz51updrus3zo4k>

## Phonics

Remember to continue to watch the daily phonics lessons following the link we give you. Children in Year one would be required to watch the lesson everyday at 10.30. Also don't forget to visit the phonics section on the remote learning section on our website and complete the reading tasks set for every week. The tasks are updated on a weekly basis and are differentiated to meet everyone's needs and ability. (see past class newsletters to help you find these)

**Please note that the phonics newsletter will also keep you posted with any updates.**

## Reading

As well as following the reading tasks we set, don't forget the importance of reading your own books, in your own time for fun!

We look forward to seeing what you have been up to,

Miss Bell and Miss Caneda
