

Hello Blue and Sapphire Class!

Week 10! (Week 3 of Term 6)

Hello everyone!

We hope you are all well whether you were still working at home or were in school in 'pod'

If you haven't already, please read Mr. Farrell's recent updated letter that can be found on our website.

Please remember to contact the school office if you have any questions.

We hope that the change to the tasks last year was easy to follow. Here's a little reminder of what you should be doing this week:

If you were at **school last week**, this week you should complete the **Oak Academy lessons**, as you would have completed the other lesson in school last week!

If you are going to **school this week**, don't worry, you do not need to do any of the work as you will be doing it in school!

If you are **continuing to be homeschooled** you have to complete the work that you haven't completed. If you completed the Oak Academy lesson last week, you are to complete the other planned tasks this week, and the other way round.

Also remember that instead of daily Topic lessons, we are now sharing a list of different topic-related home learning projects for the term for your child to choose from. Please refer to the separate document for this.

Remember to refer to last week's newsletter if you need a reminder about the home learning routine changes.

A few reminders

We have really enjoyed seeing your learning and all the things you have been up to on our Year 1 padlet.

Follow this link to see and share: <https://padlet.com/missbell88/d28v5yezh8o>

Purple books

If you have finished your Purple books and wish to have a new one, they are available to be collected from the school office. But if you'd prefer to use your own book or paper that's ok too!

Phonics

Remember to continue to watch the daily phonics lessons following the link we give you. Children in Year one would be required to watch the lesson everyday at 10.30. Also don't forget to visit the phonics section on the remote learning section on our website and complete the reading tasks set for every week.

Please note that the phonics newsletter will also keep you posted with any updates.

Reading

As well as following the reading tasks we set, don't forget the importance of reading your own books, in your own time for fun!

P.E.

Follow the link below and you will find the website that we use at school to teach PE. It would be ideal to do a bit of PE everyday. Watch the video and follow the instructions.

Music

Click on the link below to access the wonderful daily music lessons provided by Lambeth Music.

There's a new lesson everyday:
