WALT mind map ideas about a fairy tale character.

A **character** is a person or animal in a story.

We have been reading and retelling lots of traditional fairy tales.

- Can you remember all the ones we have read?
- Do you know any others?
- Who is your favourite fairy tale **character**? Why?

Follow the link if you want to listen to other fairy tales on Now Press Play:
<http://nowpressplay.co.uk/learn-at-home/> (password: nowpressplay)

This week we are going to write a riddle pretending to be our favourite fairy tale **character** so someone can guess who we are.

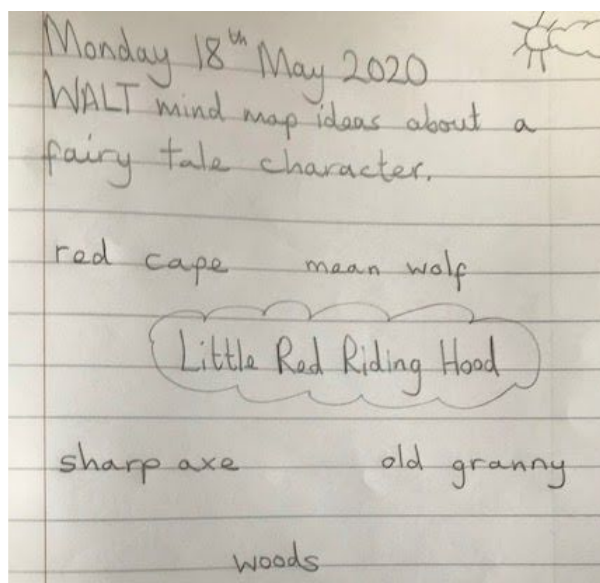

Pretend to be your favourite fairy tale **character** (but don't go breaking any chairs!) and think about everything you know about them.

- What do you look like?
- Who do you meet in the story?
- What happens to you?

Write the name of the character in the middle of the page and write down all your ideas about them around it.

Remember to:

- use your **sounds** to help you spell the words
- use **adjectives** (describing words)
