

## English Thursday 21/05/20

**WALT write an invitation to our family sports day.**

This week we are planning a family sports day!

What do we need to think about to plan our family sports day?

We need to plan **who**, **when**, **where** and **what** is going to happen.

**Who** will you invite?

- Remember we can only invite people in our household.

**When** will your event take place?

- We have planned it in for our Friday topic lesson but you can do it whenever everyone in your family can take part.

**Where** will your event take place?

- You can hold your event in your garden, living room or bedroom. Anywhere you have a bit of space.

**What** activities will you plan?

- Choose 3-5 activities from your topic lesson yesterday.

Write your invitations. Your family will need to know when, where and what is happening.

RSVP means that the person you are sending the invitation to can reply saying 'yes' they want to come!
