WALT make equal groups

Below you will find the link to the lesson they published for **Lesson 2 week 1 (w/c 20th April)** which we would like you to have a go at today, Wednesday. This week we plan to go back to previous lessons that we may have missed out.

Click on the link and follow the instructions. It is very important that you watch the video and watch the teacher explain what you have to do.

After you have watched the video, click on *Get the Activity* and complete the task in your books. When you have finished you can go through the answers with an adult.
