Don't forget your story language:

that morning	Goldilocks	but	so
then	next	suddenly	finally

Remember to:

- use your sounds to help you write the words 
- write in full sentences 
- use a finger space between each word
- use a capital letter to start each sentence and full stop at the end  
- use adjectives (describing words)

When you have finished writing, ask someone to help you read back through your work and check that you have included all the things above.
