WALT begin to understand standard units of measure

Well done for completing your lesson online. How did you do? Now it's time to complete the next lesson of this unit.

Below you will find the link to the lesson they published for Thursday (Week 1 Day 4) which we would like you to have a go at today, Monday.

Click on the link and follow the instructions. It is very important that you watch the video and watch the teacher explain what you have to do.

To begin to understand standard units of measure

In today's lesson we will be beginning to use and understand standard units of measure, such as 1 metre. We will look at objects that are taller than 1 metre and objects that are shorter than 1 metre.

Start Lesson

If it doesn't launch the quiz when you press the start lesson button, this is what you could try:

Close the page and reopen it.

Press 'next activity' button until you get to activity 2 which is the video.

Don't worry if you can't do the quiz today.

Good Luck and enjoy!
