**WALT** write a letter to Jack to tell him what we think about his actions.

Have a look at your story map from yesterday. Remind yourself what happened in the story.

Do you think Jack was right to take the chicken and the harp from the giant?

Jack thought the giant was going to eat him! He had to run away. He needed the chicken and the harp to help his mum.

Jack stole the chicken and the harp from the giant! He should write a letter to the giant's wife to say sorry and give her back her things.

Jack can sell beans from the beanstalk when it grows back. It is wrong to steal!

What do you think?

Write a letter to Jack to tell him what you think about his actions and what you think he should do.

Dear Jack,

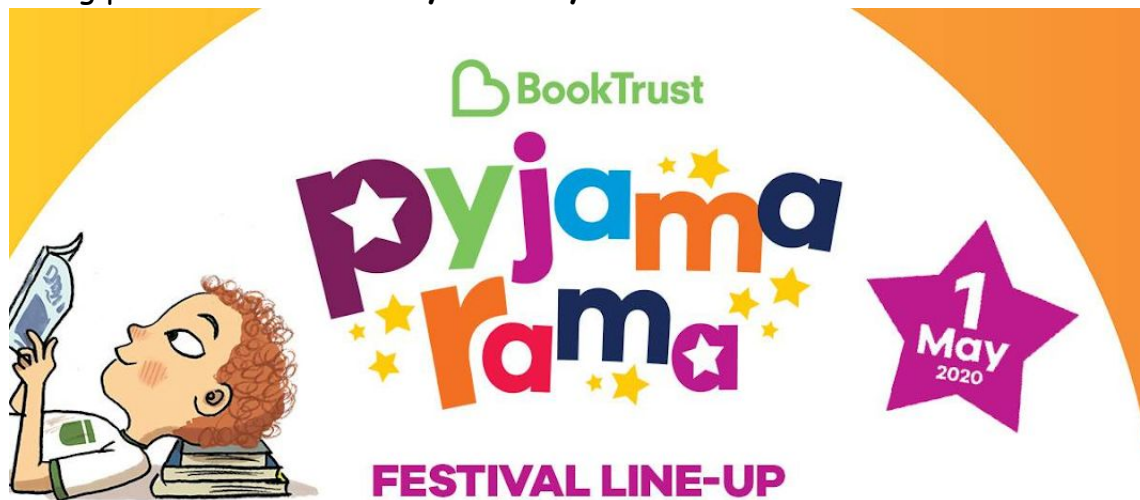

I am...

I don't think...

I think...
