

Spanish Thursday 30/04/20

WALT say good morning and good night in Spanish.

Can you remember the song we learned in Spanish last week?

Listen to the song again and join in the actions.

Here are some more words in Spanish.

Can you find them in the song?

Good morning

Good night

We need some actions for them!

Make up your own actions for the new words and practise singing the words with your actions.

Teach the song and actions to someone in your family. When you are feeling confident, perform it for someone. You could perform it to a family member on a video call, to your toys or in front of the mirror!

Challenge:

Every morning and every night, say good morning and good night to your family in Spanish!

¡Buena suerte!
