There are two types of nouns:

- **Common nouns** are the names of things (types of people, animals, places or objects).
- **Proper nouns** are the names of a **particular** person, place or thing. They begin with a capital letter.

We're going on a **noun hunt!**

Look around your home.

What **proper nouns** can you see?

Write the noun on a piece of paper and put it on the person in your house. Remember to begin your word with a capital letter!

Excellent work finding **proper nouns**! How many did you find?
