WALT sequence events in a story.

Have you heard the story of Jack and the Beanstalk before? It is a popular children's fairy tale that is read to children all over the country.

Today we are going to answer some questions about the rest of the story. Then we are going to put the events of the story in the order that they happened.

If you want to, listen to the story again on Now Press Play:

Answer the questions about the story below:

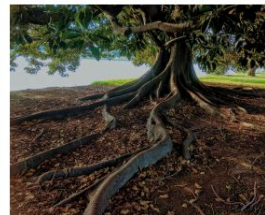

- Why did you climb up the beanstalk?
- What was at the top of the beanstalk?
- Who lived in the castle?
- What did you take from the giant?
- How did you stop the giant?

Here are some pictures of the main things that happened in the story (events) but they have got muddled up!

Draw a story map in your purple books to put the events in order. See my story map below.
