

WALT observe and describe the signs of spring.

## We are now in Spring!

There are other changes that happen in Spring, other than the weather.

Watch these time lapse clips of spring:

<https://www.youtube.com/watch?v=RcTATfqBsRo>

<https://www.youtube.com/watch?v=s2SXUTmL6q8>

Now watch this clip that shows you what happens during spring

[https://www.youtube.com/watch?v=vLAnt9\\_\\_5Mg](https://www.youtube.com/watch?v=vLAnt9__5Mg)

Tell your parent/carer about what you can see happening in the clip.

Looking at the pictures above and using the video clips you have watched - create a picture or poster to explain what happens in spring. Remember to be as creative as you can!

Follow the link below and scroll down to view David Hockney's spring art from his garden in France:
