

Monday 1st June

WALT: Sequence events in a story

Read Part 1 of the Story

Read the beginning of the story below, remember to Fred talk (sound out) words you don't know and get a parent or carer to read with you. Break up any larger words to help you read the whole word.

'Winnie's New Computer' by Valerie Thomas and Korky Paul

Winnie the Witch had a new computer. She was very excited. Her cat, Wilbur, was excited too. He thought something interesting might happen and he didn't want to miss it.

Winnie plugged in the computer, turned it on, and clicked the mouse.

"Come on, mouse," she said.

Is that a *mouse*? thought Wilbur. It doesn't look like one.

Winnie went on the internet. Wilbur wanted a closer look at the mouse. He patted it.

"Don't touch the mouse, Wilbur!" said Winnie. "I want to order a new wand!"

Wilbur patted the mouse again. Pat, pat.

Winnie was cross. She put Wilbur outside. She didn't notice it was raining...

Wilbur noticed it was raining. He was getting wet. He watched Winnie through the window. She was having a good time. She ordered her new wand, and then she visited www.funnywitches.com. They had some funny jokes.

"Ha, ha, ha," laughed Winnie.

Wilbur *wasn't* laughing. The rain was dripping off his whiskers.

"Meeow," he cried. "Meeeooww!"

But Winnie didn't hear him. That mouse has put a spell on her, thought Wilbur.

Think about and discuss what has happened in the story so far.
